## EXPERIENCE

### **New York University, New York, NY — ITP Research Resident**

August 2019 - PRESENT

#### **Co-facilitated Beyond Policing Workshops**

- Co-lead small groups in discussions that looked at what a created world could look like beyond defunding the police.

#### **Produced and executed ITP's Spring 2020 Unconference**

- Organized students interested in teaching, set schedule, scheduled spaces, managed student workers.

#### **Adaptive Design Project**

- Managed flow of information by creating a database system, allowing prototypers to have more time to build equipment for children with disabilities.

#### **ITP 40th Anniversary Gala**

- As an organizer I managed the attendance and flow of the ITP 40th anniversary gala.

#### **The Field Guide to the Black Experience (thesis)**

- Created an interactive narrative experience that aimed to give others a glimpse into the experiences Black people have as they learn to navigate their world.

### **Ventech Solutions, Dublin, OH — Junior Developer**

January 2016 - August 2017

- Create and maintain customer correspondence, reports, web services, and web applications.
- Create letter templates for use in enterprise collections tools.
- Develop solutions from technical designs, develop and perform unit testing, and participate in code reviews of assigned modules.
- Develop web applications to specifications.

### **AWH, Dublin, OH — Software Apprentice**

August 2015 - December 2015

- Refactor code to meet coding standards.
- Merged code from development to test branch.
- Performed on device testing for mobile applications.
- Wrote code according to AWH standards for websites and mobile applications.
- Participated in daily standup meetings and monthly retrospective meetings.
